**Amsterdam: Photopocket**
Amsterdam is a canny blend of old and new, a city in which non-conformity and tradition easily co-exist and the cutting-edge is embraced in a historical setting. This stunning visual survey manages to capture both the timelessness of the Netherlands' capital city and the free spiritedness of its residents. Whether she's photographing street musicians or tree-line canals, architectural landmarks or a cafe dweller smoking a bong, award-winning photographer Bonnie Josephson's images reveal the cosmopolitanism so unique to this relaxed yet dynamic city.
