Class in Culture (Series in Critical Narratives)

Teresa L. Ebert, Mas'ud Zavarzadeh

Class in Culture (Series in Critical Narratives) Teresa L. Ebert, Mas'ud Zavarzadeh
"A gem of a book. Its topics are timely and provocative for cultural studies, sociology, English, literary theory, and education classes. The authors are brilliant thinkers and clear, penetrating writers." -Peter McLaren, UCLA, author of Capitalists and Conquerors: A Critical Pedagogy Against Empire Class in Culture demonstrates the power of moving beyond cultural politics to a deeper class critique of contemporary life. Making a persuasive case for class as the material logic of culture, the book is written in a double register of short critiques of life practices-from food and education to race, stem-cell research, and abortion-as well as sustained critiques of such theoretical discourses as ideology, consumption, globalization, and 9/11. Surpassing the orthodoxies of cultural studies, Class in Culture makes surprising connections among seemingly unrelated cultural events and practices and offers a groundbreaking and complex understanding of the contemporary world.
