Conversation Cards - Two-Deck Set - Reminiscence Activity for Alzheimer's / Dementia / Memory Loss Patients and Caregivers Shadowbox Press

Shadowbox Press Conversation Cards are designed to encourage individuals experiencing memory loss to reminisce about a particular aspect or experience from their lives-the events both big and small that helped us become the people we are today.

Each deck contains 52 two-sided cards. The front of each card features a large, vivid photograph and the corresponding name of the item printed in bold, large-print text. The back of each card features nine questions-a combination of (4) closed-ended, (2) open-ended, (1) either/or, and (2) "Did you know" trivia questions. The questions are opinion-based-purposely created to have no right or wrong answer.
