Bomi Park

First Snow Bomi Park
Look out. Now look up. From the sky one flake falls, then another. And just like that—it's snowing.

In this beautiful book from debut creator Bomi Park, a young girl wakes up to the year's first snowy day. From her initial glimpse out the window to her poignant adventures—rolling a snowman, making snow angels—the girl's quiet quests are ones all young readers will recognize. Simple, muted text and exquisite, evocative art conjure the excitement of a day spent exploring the wonder of snow—and the magic that, sometimes literally, such a day brings. As subtly joyful as a snow day itself, this book will find its home in the hearts of young adventurers everywhere.

People live in this new time of lifestyle always attempt to and must have the free time or they will get lots of stress from both lifestyle and work. So , once we ask do people have free time, we will say absolutely sure. People is human not really a huge robot. Then we question again, what kind of activity are you experiencing when the spare time coming to you actually of course your answer may unlimited right. Then do you ever try this one, reading textbooks. It can be your alternative within spending your spare time, the actual book you have read is definitely First Snow.

Harvey Sanchez:

As a student exactly feel bored to be able to reading. If their teacher asked them to go to the library or even make summary for some reserve, they are complained. Just minor students that has reading's heart and soul or real their hobby. They just do what the instructor want, like asked to go to the library. They go to at this time there but nothing reading significantly. Any students feel that looking at is not important, boring in addition to can't see colorful images on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. So , this First Snow can make you experience more interested to read.
