The American Indian UFO Starseed Connection Timothy Green Beckley
AMERICAN INDIANS AND LEGENDS OF THE GODS FROM OUTER SPACE - DO NATIVE AMERICANS KNOW MORE ABOUT UFOS THEN THE CIA??? Many researchers now believe the ancient legends of our native Americans tell of visitations to our planets hundreds of years ago by space travelers ... and that there is evidence that today's tribes are still in contact with beings from far away realms and other dimensions. With chapters by some of the most astute metaphysical writers -- including Brad Steiger and Chris Warner -- this volume delves into the theory projected by some that the Natives of our land will lead us to a safe "New World" based upon their other-worldly contacts. Explored are striking revelations concerning the famous Hopi prophecies, the Kachina spirits and their return, and why UFOs are so frequently seen above sacred grounds. Chapters in this large format study guide include: * American Indians How Do They Fit Into the UFO Puzzle? * American Indians and the Star People. * Secrets of the Totem. * Playground of the Gods. * Star Gods, Hopi Revelations and the Missing Sacred Stone. * Do Hopi Prophecies Hold Key To Mysterious Artifact? * How the Indians Contact UFO Intelligence Through Dreams. * Strangers From Another World Are Here! * Sightings of Bigfoot Revive Hopi Legends of Tribal God. * UFO Stories of the Northwestern Indians. * Vision At Courthouse Rock, Sedona, Arizona. According to the contributors to this work, Native Americans have had an ongoing relationship with Space Intelligence and have been receiving regular messages and visits because they practice a very advanced form of mysticism, blending their reality with the magical and spiritual. Join their journey and find out what UFOs mean to them, as well as to the rest of the world. The Native American culture has often been misunderstood. Now is the opportunity to understand the significance behind their UFO and ET encounters. Go in peace!
