The True Confessions of a London Spank Daddy Peter Jones
Discover an underworld of sex, spanking and submission. A world where high-powered executives and cuddly mums go to be spanked, caned and disciplined. In this powerful and compelling book Peter reveals how his fetish was kindled by corporal punishment while still at school. How he struggled to contain it until, eventually, he discovered he was far from alone in London's vibrant, active sex scene. What he learnt on the scene helped him to understand the psychology of women who wanted to submit to submissive discipline. Many were professional women, often juggling a demanding job and family. They needed to occasionally relinquish all control, to submit totally to the will of another. Others sought a father figure who could offer them the firm security they remembered from their childhood when Daddy had been very much in control. Chapter by chapter he reveals his clients; stories as he turns their fantasies into reality. The writing is powerful, the stories graphic and compelling.
