This book answers many of the top advanced-level questions posted on the Dreamweaver Newsgroup through a series of 30 projects. Projects are grouped into design issues for easy reference. Each project will be from 3 to 10 pages in length and be designed in a 2-column format with step-by-step instructions on the left and corresponding graphics (or code) on the right. In addition, sidebars will be used to provide additional tips and tricks. Any effect, technique, or tip can easily be customized to fit a reader's own design needs.
