The color red can have a dramatic effect in a room, whether used on the walls or as small accents in an otherwise neutral palette. Interiors in Red examines how top-level designers have used red-to subtly add warmth, to complement existing cool colors, to add drama.

Each of the lush, beautiful books in the Interiors series presents a variety of rooms in the featured color. See how professional designers handle color in a room, whether it be full washes of rich color on the walls or intricate printed patterns in the upholstery. Each book includes examples of color in every room of the home-kitchens, bedrooms, living rooms-in every style-Country, Contemporary, and Victorian. Use these affordable volumes as references to make the most out of color in your home.
