United States: Essays 1952-1992 Gore Vidal
From the age of Eisenhower to the dawning of the Clinton era, Gore Vidal's *United States* offers an incomparably rich tapestry of American intellectual and political life in a tumultuous period. It also provides the best, most sustained exposure possible to the most wide-ranging, acute, and original literary intelligence of the post—World War II years. *United States* is an essential book in the canon of twentieth-century American literature and an endlessly fascinating work.
