Excerpt from Cato's Farm Management: Eclogues From the De Re Rustica of M. Porcius Cato

While Cato is readily accessible in French and in German, the only recorded English translation, that of the Rev. Thos. Owen published at London in 1803, is at once inadequate and scarce. For this reason the present editor has ventured to translate from the Latin (and to annotate from the works of other ancient agronomes) those portions of the De re rustica which are of enduring interest.
