The Dragon Roars Sara Davison
"The second book in the Seven trilogy is more exciting than the first. Davison does a wonderful job ..." -*RT Book Reviews*, 4 Stars
Their secrets protect them ... but secrets are hard to keep
No one in the army can find out that Captain Jesse Christensen has become a believer. He and bookstore owner Meryn O'Reilly are forced to meet in secret, facing imprisonment or worse if they are found together. Their relationship deepens, but so does Lieutenant Gallagher's hatred for the Christians in their city. As Gallagher's power grows, it becomes clear that his connections go much further up the chain of command than anyone realized, putting all believers, especially Jesse, in extreme danger.
Meryn wants to give her heart to Jesse fully, but her past holds her back. Although circumstances conspire to keep her silent, she needs to tell him her secret. When he finds out what she has been keeping from him, nothing will stand between them anymore.
Or nothing will ever be the same.
The year is 2054. As the world descends into chaos around them and Christians in Canada and around the world face tighter and tighter restrictions, Jesse and Meryn wage a battle against forces of darkness - both physical and spiritual. They face the threat of being ripped apart forever as Gallagher closes in on his favourite target. Jesse's life hangs in the balance.
Jesse, Meryn, and all believers must decide if their faith is strong enough to carry them through these dark days, or if the cost of declaring allegiance to Jesus Christ is just too high.
"Sara Davison's second book in the Seven trilogy, *The Dragon Roars*, brings together all the essential elements of a good suspense read-compelling story, fast-paced action, and believable characters. *The Dragon Roars* is a riveting, well-written novel with an engaging storyline that draws the reader into futuristic world where it's dangerous to be a follower of Christ. Davison is a master at weaving the faith elements of the story into a beautiful tapestry that highlights rather than detracts from the underlying message of survival in a dangerous new world of unbelief. Readers will not be disappointed in Davison's second book in the trilogy; it delivers!"-LUANA EHRLICH, Author of *Titus Ray Thrillers*
"Sara Davison is a terrific storyteller. She takes the truths of the Bible, the what-ifs of an end-time's scenario, and populates her story with unforgettable characters to create a world that is terrifyingly possible. The Dragon Roars is an edge-of-your-seat romantic thriller that will give your emotions a roller coaster workout."-BARBARA ELLEN BRINK, Author of *Roadkill*, Double Barrel Mysteries, Book 1
"I love reading novels about strong and courageous heroines of faith and heroes who are equally matched in determination and bravery. *The Dragon Roars* delivers on this big time in the characters of Bible smuggler Meryn O'Reilly and Captain Jesse Christensen, as they fight for their love and faith, and to do what's right against growing, seemingly insurmountable odds. *The Dragon Roars* brings something special to the ambitious genre of 'End Times' novels in that it tells a story about the unfolding Apocalypse through relatable and emotional relationships between sweethearts, parents, siblings, and friends. Sara Davison's vision of a dystopian Canadian future has refreshingly smart and courageous characters with a lot of heart."-MAGGIE K. BLACK, Author of over 8 novels including *Tactical Rescue* and *Kidnapped at Christmas*
