The Idea of You Amanda Prowse

With her fortieth birthday approaching, Lucy Carpenter dares to hope that she finally has it all: a wonderful new husband, Jonah, a successful career and the chance of a precious baby of her own. Life couldn't be more perfect.

But the reality of becoming parents proves much harder than Lucy and Jonah imagined. Jonah's love and support is unquestioning, but as Lucy struggles with work and her own failing dreams, the strain on their marriage increases. Suddenly it feels like Lucy is close to losing everything…

Heart-wrenching and poignant, this latest work by bestselling author Amanda Prowse asks the question: what does it mean to be a mother in today's hectic world? And what if it's asking too much to want it all?
