About the Guide
The cradle of the Italian Renaissance is unrivalled in the breadth of its artistic treasures.

Florence has the greatest collection of Renaissance art in the world, and a character list that reads like a Who's Who of the period's greatest artists and thinkers - Dante, Leonardo, Michaelangelo - not to mention the powerful families who financed their work - the Medici and the Strozzi. Evidence of their lasting influence abounds today, including the discovery of a Leonardo fresco beneath a painting by Vasari, and the unearthing of Michaelangelo's plans for a church facade.

Time Out’s expert local authors cover Florence’s past and present with authoritative art history and their trademark appreciation of contemporary culture.
