2017 The Paintings of Robert Bissell Wall Calendar Robert Bissell
With his paintings of contemplative bears and other creatures in idyllic landscapes, Robert Bissell (American, b. England 1952) invites us to step into their world to see ourselves, once again, as part of nature. Animals used to be involved with humans as messengers with magical functions, Bissell says. I wanted to restore their role and give them a new voice. His creatures are mirrors of human existence. Their unusual depth of character prompts contemplation of lifes transitions and mysteries.
