Life's Evening: Or Thoughts for the Aged (Classic Reprint) Samuel Burnham
Excerpt from Life's Evening: Or Thoughts for the Aged

The busy day of life is over. Its pleasures, its duties, and its anxieties have passed away. The sunshine and the shade, which alternately marked its path, have alike disappeared; and the soft tints of evening are gathered over the sky.

The evening of life! Yes: life has its sunset hour, its twilight season. The dim eye, the silvered lock, and the feeble step, indicate that the closing period of earthly existence has arrived. How rapid has been the flight of time! how near must be the approach of eternity!
