Prussian Napoleonic Tactics 1792-1815 (Elite)

Peter Hofschröer

Prussian Napoleonic Tactics 1792-1815 (Elite) Peter Hofschröer

Osprey's examination of Prussia's battle tactics during the Napoleonic Wars (1799-1815). Written by a leading expert on the Prussian army of the Napoleonic era, this title provides crucial insight into the 18th century evolution of the Prussian forces, the war-winning troops of the final battles against Napoleon. Using contemporary materials including drill regulations, instructions, staff and regimental histories and after action reports, this book provides a compelling history of the Prussian tactics from 1792 until 1815.

It includes a study of the professional Prussian army during the Revolutionary Wars to the mass mobilization of a conscript army that fought during the Wars of Liberation and Waterloo. Following on from the success of Osprey's other Elite Tactics volumes, this is a must-have for serious students of Napoleonic warfare, armchair generals, and wargamers alike.
