**Sacred Journey - A Simple Book of Soul Wisdom, Love and Healing by Juerg Dreamturtle**

Juerg Dreamturtle shares soul wisdom to help us grow towards love, harmony, well-being and our Sacred Life with others and Mother Earth. Through his own quotations, teachings, paintings and photographs, Juerg encourages us to feel what longs for love and healing in our own heart and life.

Many people long for more love. However, we can only share love, which we can feel in our own heart and life. There are many layers and depths to healing, forgiveness and love. Our capacity to feel and share love is based on our loving experiences as well as the healing of our hurtful experiences. We can only heal, what we allow ourselves to feel. We often do anything to avoid feeling the truth in our own heart and life.

Every day, sacred messages of our heart, mind, body and life can help us to grow more towards love, soul wisdom and our Sacred Life with others and Mother Earth.

As we heal our heart and life, we grow beyond the world of fear, judgment and separation of our mind – we are ready to honour, create and share the dream of our heart and soul
