Shrubs: An Old-Fashioned Drink for Modern Times (Second Edition)

Michael Dietsch

Shrubs: An Old-Fashioned Drink for Modern Times (Second Edition) Michael Dietsch

A beautiful revised edition, with foreword by Paul Clarke, and 10 new recipes.

"A shrub is exactly what the people who invented the phrase 'slake your thirst' had in mind. A shrub is full of character and variety. The ingredients?fruit, sugar, and vinegar?are as simple as can be. But the variations are seemingly unlimited. It has another superpower: A strong shrub game can help you make the most of bruised or aging summer fruit."

–*The New York Times*, in an article featuring *Shrubs*

Michael Dietsch took the mixology community by storm when he brought back a popular drink from colonial times, the shrub. Not the green, leafy kind that grow in the ground, but a vintage drink mixer that can be spiked with alcohol or prepared as a soda. Drinkers, bartenders, and the media embraced the book. This new edition features a foreword by Paul Clarke, the Executive Editor of *Imbibe* magazine and author of *The Cocktail Chronicles.* Here is the definitive guide to making and using shrubs.
