Smudge Bunny Dr. Bernie S. Siegel
Smudge Bunny is the story of Smudge, Dr. Siegel’s beloved pet rabbit and her journey to reach their home and family. In recounting her story, Smudge comes to realize that sometimes the paths in life that look like detours, are really just different ways to get to where we were meant to be all along. After enduring heartache and loss, Smudge ultimately finds happiness, hope, and the discovery that a true home is where, as the poet Robert Frost wrote, "... when you go there they have to take you in." This story is written at a child’s level with warmth and playfulness, and of course, a happy ending. We believe that readers who enjoyed Dr. Siegel’s adult books, for their humor, love, and healing, will also want to share this charming book with their children. The book is a wonderful gift for animal lovers as well, because it teaches the true spirit of kinship between humans and our favorite furry companions.
