Rachel Covington is twenty-five, sexy, single, and smug. Her life is a glorious whirl of looking fabulous and toying with gorgeous men. So it's obvious to everyone that she and the hottest guy in her office, Nick Maxwell, are destined to hook up?but what happens after that is a little less obvious.

First, Nick stops calling her?*her*, Rachel!?and then she discovers that there's something even worse than being dumped: It's being dumped and pregnant. Suddenly, she's faced with a choice she never expected?does she keep the baby and start thinking about someone besides herself, or try to go back to the way things were?

Brilliantly funny, with a wonderfully fresh and original voice, *Thanks for Nothing, Nick Maxwell* is a smart, romantic novel about love, relationships, and knowing when it's time to start growing up.
