The Five Times I Met Myself

James L. Rubart

The Five Times I Met Myself James L. Rubart

“If you think fiction can’t change your life and challenge you to be a better person, you need to read *The Five Times I Met Myself*.”

—Andy Andrews, *New York Times* bestselling author of *How Do You Kill 11 Million People*, *The Noticer & The Traveler’s Gift*

What if you met your twenty-three-year-old self in a dream? What would you say?

Brock Matthews’ once promising life is unraveling. His coffee company. His marriage.

So when he discovers his vivid dreams—where he encounters his younger self—might let him change his past mistakes, he jumps at the chance. The results are astonishing, but also disturbing.

Because getting what Brock wants most in the world will force him to give up the one thing he doesn’t know how to let go . . . and his greatest fear is that it’s already too late.

“A powerfully redemptive story with twists and turns that had me glued to every page. With a compelling message for anyone who longs to relive their past, The Five Times I Met Myself *is another James L. Rubart masterpiece.”*

—Susan May Warren, bestselling author of the Christiansen Family series

From reader reviews:

Andre Roop:

What do you ponder on book? It is just for students since they're still students or it for all people in the world, exactly what the best subject for that? Merely you can be answered for that question above. Every person has distinct personality and hobby for every other. Don't to be pressured someone or something that they don't want do that. You must know how great and also important the book The Five Times I Met Myself. All type of book can you see on many methods. You can look for the internet solutions or other social media.

Susan Williams:

Nowadays reading books become more and more than want or need but also get a life style. This reading practice give you lot of advantages. The huge benefits you got of course the knowledge the rest of the information inside the book that will improve your knowledge and information. The knowledge you get based on what kind of guide you read, if you want have more knowledge just go with schooling books but if you want really feel happy read one along with theme for entertaining for instance comic or novel. The The Five Times I Met Myself is kind of reserve which is giving the reader erratic experience.

June Whitaker:
