**When She Turned 40-Ish** Carmen McCullough
When Annette turned 40-ish, she wrote her memoirs on the back of a paper bag. When Ramona turned 40-ish, she tossed her “to do” list in the garbage and never looked back. “When She Turned 40-Ish” is an alphabetical narrative of twenty-six fashion-ating women as they find themselves reaching their milestone 40-ish birthday. Background images were created using paint, glue, and pattern tissue. The paper doll outfits were inspired by Moda, Chrysalis fabric by Sanae. The book is perfectly-priced as a fun birthday gift for a girlfriend. Better yet, buy several…one for each of your friends turning 40-ish in the coming year! Carmen McCullough is a mixed media collage artist who was inspired to create this book when she, and many of her friends, turned 40. She would love to hear what you did when you turned 40-ish. Stop by www.Facebook.com/StrangeFarmGirl to let her know!
