Relationship Guide For Married Women: Your 30-Day Journal (90-Day Relationship Guide Journal For Married Women) (Volume 1) Ginta Puke
It is meant to be fun, educational and relaxing journal for women, married or living together with a partner. I am presenting information which I found practical and useful. Can there be a makeover of a relationship? Yes! And we—my husband and I—are living proof of it! When we were just married, young and dumb, we had only one thing that tied us together—a strong affection for each other, and it was the only reason we could survive through life's storms and oceans for over two decades. We were bouncing up and down in a boat of confusion, misinformation and well-intended but invalid teachings, and crashed several times. I will not waste your time by sharing stories of our experiences, trying to make you believe that if we can do it, you can do it. As it is popular to say now: "We cracked the code" of basic happy marriage principles, and you can use our knowledge for your benefit. We went through a lot of trial and error, so I decided to share with you the wisdom we got through them, and to give helpful advice to others who are in the same boat as we were. All things are possible to learn and overcome, only if you both have a strong desire to be together, in spite of your past mistakes.
