The ABCs of Who God Is Bonnie Hedstrom
The ABC's of Who God Is ...Have you ever wondered about God?Do you want to know what God is like?Do you want to teach your children more about God?If you answered yes to any of these questions, then this book is for you. I like to say The ABC's of Who God Is is for ages three to 103. The reality is that anyone, no matter their age, will benefit from the truths found inside. God says we should come to Him like children so this book is focused towards the child in us. Bonnie Hedstrom is the daughter of a pastor, born and raised in a small community in western Wisconsin. She has been an elementary teacher in the public school system for over 25 years. Most of her teaching experience has been in a rural school at the center of the state. Her main focus has been in junior high social studies, but she has taught children of all ages and all subjects."
