Every Person on the Planet: An Only Somewhat Anxiety-Filled Tale for the Holidays Bruce Eric Kaplan
Every Person On The Planet tells the delightful story of Edmund and Rosemary, an average couple who lead an uneventful life, and what happens when one fateful day they decide to throw a party for the holidays. As their guest list becomes longer and longer, they become paralyzed with the fear of forgetting anyone. So naturally, there's only one thing to do--they invite every person on the planet. They never expect that the whole world will show. But what happens when the whole world does?
Every Person On The Planet is hilarious, touching, thoughtful, and uniquely beautiful. We think this is an altogether perfect book and you will too.
