Extreme Survival Meat: A Guide for Safe Scavenging, Pemmican Making, and Roadkill Tamarack Song
Whether you are faced with an extreme survival situation, or you're simply wanting to obtain animals without hunting or trapping, this book will show you how to find, process, and preserve meat without anything but a knife. You'll learn how to safely assess an animal carcass to determine whether it's safe to eat - a vital skill that could save your life. There are also special sections on roadkill and making pemmican - the most nourishing and long-lasting survival food. The instructions contained within this book are well tested, and easy to follow, as Tamarack and his family have lived for over forty years almost exclusively on scavenged meat and hand-caught fish. In an extreme survival situation, this is one book you don't want to be without. It belongs in every backpack, glove compartment, and survival kit, so it will be there when you need it.
