Lilac Louisa Trent

Innocent virgin Tegan Ellis and her decadent archenemy Sean Griffith take their battle to the boudoir...

Tegan Ellis storms the Hudson River mansion of negligent mine owner Sean Griffith intent on nobly sacrificing herself for her mining reform cause. Her mission to allow the despicable Robber Baron to ruin her during a decadent orgy and then blackmail him into making much needed mine improvements goes hopelessly awry, however, when her adversary shows her his scandalous erotic art collection. One glimpse at a painted mural depicting naked and writhing bodies, and the romantic eighteen-year old virgin is overcome with lust.

And inspiration. Throwing caution to the winds, she tosses her legs in the air.

The despicable Robber Baron never stands a chance. Not only is he unable to defend his dubious honor, he is ravished on the spot. On several spots, to be exact. But Sean finds out Tegan meant to use him, and he extracts a carnal revenge from the duplicitous mining reformer.

And a naughty boudoir romp begins...

Publisher's Note: This book contains explicit sexual content, graphic language, and situations that some readers may find objectionable: Anal play/intercourse, strong BDSM theme and content, voyeurism.

From reader reviews:

Patricia Howland:

Do you one of people who can't read pleasant if the sentence chained in the straightway, hold on guys this particular aren't like that. This Lilac book is readable by you who hate those straight word style. You will find the details here are arrange for enjoyable looking at experience without leaving perhaps decrease the knowledge that want to give to you. The writer of Lilac content conveys prospect easily to understand by many individuals. The printed and e-book are not different in the information but it just different available as it. So , do you still thinking Lilac is not loveable to be your top list reading book?

Bertha Boone:

Your reading sixth sense will not betray you, why because this Lilac reserve written by well-known writer whose to say well how to make book that can be understand by anyone who read the book. Written inside good manner for you, leaking every ideas and writing skill only for eliminate your own hunger then you still skepticism Lilac as good book not only by the cover but also by content. This is one e-book that can break don't ascertain book by its deal with, so do you still needing a different sixth sense to pick this specific!? Oh come on your looking at sixth sense already told you so why you have to listening to yet another sixth sense.

Bruno Reed:

Reading a book to be new life style in this 12 months; every people loves to learn a book. When you go through a book you can get a great deal of benefit. When you read books, you can improve your knowledge, simply because book has a lot of information in it. The information that you will get depend on what types of book that you have read. If you would like get information about your study, you can read education books, but if you act like you want to entertain yourself you can read a fiction books, such us novel, comics, along with soon. The Lilac will give you a new experience in reading a book.

Emily Boyd:

As we know that book is vital thing to add our information for everything. By a reserve we can know everything we would like. A book is a list of written, printed, illustrated or maybe blank sheet. Every year seemed to be exactly added. This e-book Lilac was filled in relation to science. Spend your spare time to add your knowledge about your scientific research competence. Some people has several feel when they reading the book. If you know how big advantage of a book, you can really feel enjoy to read a guide. In the modern era like at this point, many ways to get book that you simply wanted.
