Gain the knowledge of medical language you need to succeed in class and in your healthcare career! **Mastering Healthcare Terminology, 5th Edition** covers medical terms and definitions in small chunks — easy-to-follow learning segments — followed immediately by exercises and review questions that reinforce your understanding. From well-known educator Betsy Shiland, this book includes realistic case studies to help you apply your knowledge to practice. And because Shiland users love the case studies and medical records, more than 70 new case studies with review questions have been added to this edition, along with extra case studies on the Evolve companion website. Now with new mobile-optimized quizzes and flash cards that make it easy to study terms while on the go, this popular introduction to healthcare language enables you to communicate clearly and confidently with other members of the healthcare team.

- **Quick-reference format** makes it easier to learn terminology by presenting terms in tables — including word origin, definition, and pronunciation.
- **Frequent word part and word building exercises** reinforce your understanding with immediate opportunities for practice and review.
- **A total of 460 illustrations** includes *additional* new photos showing difficult terms and procedures.
- **A breakdown of A&P terms** appears in page margins next to the related text, helping you learn and memorize word parts in context.
- **Convenient spiral binding** lets the book lay flat, making it easy to work on exercises.
- **UNIQUE! ICD-9 and ICD-10 codes** are provided in the pathology terminology tables for a better understanding of medical coding.
- **An Evolve companion website includes** medical animations, audio pronunciations, an anatomy coloring book, electronic flash cards, and word games such as *Wheel of Terminology*, *Terminology Triage*, and *Whack a Word Part*.
- **Coverage of electronic medical records** prepares you for using EHR in the healthcare setting.

- **NEW**! **70 new case studies** provide more opportunity to see terminology in use.
- **NEW! Mobile-optimized quick quizzes and flash cards** allow you to practice terminology while on the go.
- **NEW terms and procedures** keep you up to date with advances in healthcare.
- **NEW *Normal Lab Values* appendix** provides a quick reference as you work through case studies and medical reports.
