Relics and Miracles: Two Theological Essays

Sergius Bulgakov

Relics and Miracles: Two Theological Essays Sergius Bulgakov
Boris Jakim here presents two major theological essays by Russian Orthodox theologian Sergius Bulgakov in English translation for the first time.

"On Holy Relics," a 1918 response to Bolshevik desecration of the relics of Russian saints, develops a comprehensive theology of holy relics, connecting them with the Incarnation and showing their place in sacramental theology. The second essay, "On the Gospel Miracles," written in 1932, presents a Christological doctrine of miracles, focusing on how human activity relates to the works of Christ.

Both essays are suffused with Bulgakov's faith in Christian resurrection ? and with his signature "religious materialism," in which the corporeal is illuminated by the spiritual and the earthly is transfigured into the heavenly.
