Robin Hood and Other Outlaw Tales (TEAMS Middle English Texts, Kalamazoo)

Stephen Knight

Robin Hood and Other Outlaw Tales (TEAMS Middle English Texts, Kalamazoo) Stephen Knight Although nearly everyone has heard the name of Robin Hood, few have actually read any medieval tales about the legendary outlaw. Stephen Knight and Thomas Ohlgren set out to correct this discrepancy in their comprehensive collection of all pre-seventeenth-century Robin Hood tales. The editors include such other outlaw figures as Hereward the Wake, Eustache the Monk, and Fouke le Fitz Waryn to further contextualize the tradition of English outlaw tales. In this text the figure of Robin Hood can be viewed in historical perspective, from the early accounts in the chronicles through the ballads, plays, and romances that grew around his fame and impressed him on our fictional and historical imaginations. This edition is particularly useful for classrooms, with its extensive introductions, notes, and glosses, enabling students of any level to approach the texts in their original Middle English.
