The Annotated Elminster Collector's Edition (The Elminster Series) Ed Greenwood
A look inside the mysterious mind of Ed Greenwood!

The *Annotated Elminster* collects the first three of Ed Greenwood's classic Elminster novels: *Elminster: The Making of a Mage*, *Elminster in Myth Drannor*, and *The Temptation of Elminster* for the first time in a deluxe omnibus edition. Extensive annotations by the author will provide fascinating insight into not only the books themselves but the process of creation that made the **Forgotten Realms**(R) world this generation's greatest fantasy setting.

These three books chronicle the early years of the Realms' most powerful and most colorful wizard, the Sage of Shadowdale, Elminster. Follow Elminster from his humble beginnings as a traveling mage to the tragic collapse of an elven empire, and on to a personal turning point that could have sent him down a path to corruption and darkness.
