Soft furnishings—from curtains and pillows, to bed and table linen—can provide the perfect finishing touches to a room, adding an injection of color and pattern. So often, store-bought furnishings are either hugely expensive or mass-produced, but The Home-Sewn Home shows you the easy way to create your own, using the wonderful fabrics designed by Vanessa Arbuthnott. There are 50 inspiring step-by-step projects, all with easy-to-follow step artworks and instructions. The projects range from a simple pillow and table runner for the novice stitcher, through to lined curtains with an array of different headings, blinds, bed throws, and table linen. There is a chapter on accessories, including a cook's apron, a tote bag, and table mats, which also make great presents, while the basic techniques chapter teaches you all the skills you need to make any of the projects. Throughout the book, Vanessa offers practical advice on mixing fabrics, colors, and patterns, helping you to achieve a truly individual look in your home. There are variations, too, allowing you to adapt the projects to suit your own surroundings. Whether you have just bought your first sewing machine, or want to find new ways to use Vanessa's stunning fabrics, The Home-Sewn Home will show you the way.
