The New Bill James Historical Baseball Abstract

Bill James

The New Bill James Historical Baseball Abstract Bill James
When Bill James published his original *Historical Baseball Abstract* in 1985, he produced an immediate classic, hailed by the *Chicago Tribune* as the “holy book of baseball.” Now, baseball's beloved “Sultan of Stats” *(The Boston Globe)* is back with a fully revised and updated edition for the new millennium.

Like the original, *The New Bill James Historical Baseball Abstract* is really several books in one. The Game provides a century's worth of American baseball history, told one decade at a time, with energetic facts and figures about How, Where, and by Whom the game was played. In The Players**,** you'll find listings of the top 100 players at each position in the major leagues, along with James's signature stats-based ratings method called “Win Shares,” a way of quantifying individual performance and calculating the offensive and defensive contributions of catchers, pitchers, infielders, and outfielders. And there's more: the Reference section covers Win Shares for each season and each player, and even offers a Win Share team comparison. A must-have for baseball fans and historians alike, *The New Bill James Historical Baseball Abstract* is as essential, entertaining, and enlightening as the sport itself.
