Transmission of the Flame Jean Klein
Dialoges between Jean Klein and his students and friends during recent seminars in the United States and Europe form the text of this illuminating book. In many different settings and circumstances Klein casts and recasts the teaching of Advaita addressing each individual in his or her uniqueness while at the same time demonstrating the oneness of being. these far-reaching exchanges-exploring almost every aspect of self-knowledge-show that it is only through living fully in not knowing that we can awaken to our real nature: the I Am of pure consciousness
