Porphyry the Philosopher

Porphyry, Serapio

Porphyry the Philosopher Porphyry, Serapio
This book contains a translation of the Introduction to the Tetrabiblos written by famous third century philosopher Porphyry. It is a sort of Astrological Dictionary, defining most of the technical terms used by the Greek astrologers of the Classical Period. The volume also contains a translation of the short treatise on astrological technical terms by Serapio of Alexandria. About the translator: James Herschel Holden, M.A. is the Research Director of the American Federation of Astrologers and has been especially interested in Classical and Medieval astrological works.

From reader reviews:

Susan Rooks:

What do you concentrate on book? It is just for students since they're still students or this for all people in the world, the actual best subject for that? Just you can be answered for that concern above. Every person has different personality and hobby for each other. Don't to be obligated someone or something that they don't need do that. You must know how great and important the book Porphyry the Philosopher. All type of book are you able to see on many methods. You can look for the internet methods or other social media.

John Stanley:

Information is provisions for individuals to get better life, information these days can get by anyone from everywhere. The information can be a understanding or any news even a huge concern. What people must be consider when those information which is from the former life are challenging be find than now is taking seriously which one would work to believe or which one typically the resource are convinced. If you obtain the unstable resource then you obtain it as your main information you will have huge disadvantage for you. All of those possibilities will not happen in you if you take Porphyry the Philosopher as your daily resource information.

Karen Tullis:

This Porphyry the Philosopher is great publication for you because the content that is certainly full of information for you who also always deal with world and also have to make decision every minute. This kind of book reveal it info accurately using great manage word or we can point out no rambling sentences inside. So if you are read that hurriedly you can have whole information in it. Doesn't mean it only gives you straight forward sentences but tricky core information with beautiful delivering sentences. Having Porphyry the Philosopher in your hand like obtaining the world in your arm, details in it is not ridiculous one particular. We can say that no guide that offer you world with ten or fifteen moment right but this reserve already do that. So , this can be good reading book. Heya Mr. and Mrs. occupied do you still doubt that?

Kent Moore:

Do you like reading a publication? Confuse to looking for your favorite book? Or your book ended up being rare? Why so many concern for the book? But almost any people feel that they enjoy regarding reading. Some people likes reading, not only science book but novel and Porphyry the Philosopher or maybe others sources were given knowledge for you. After you know how the truly amazing a book, you feel wish to read more and more. Science reserve was created for teacher or even students especially. Those publications are helping them to increase their knowledge. In various other case, beside science guide, any other book likes Porphyry the Philosopher to make your spare time much more colorful. Many types of book like this one.
