Divine Presence amid Violence: Contextualizing the Book of Joshua

Walter Brueggemann

Divine Presence amid Violence: Contextualizing the Book of Joshua Walter Brueggemann Description: ""To pursue the matter of ""revelation in context,"" I will address an exceedingly difficult text in the Old Testament, Joshua 11. The reason for taking up this text is to deal with the often asked and troublesome question: What shall we do with all the violence and bloody war that is done in the Old Testament in the name of Yahweh? The question reflects a sense that these texts of violence are at least an embarrassment, are morally repulsive, and are theologically problematic in the Bible, not because they are violent, but because this is violence either in the name of or at the hand of Yahweh."" -from chapter 2 Endorsements: ""Like Jacob wrestling with the man all night, Walter Brueggemann struggles with texts of divine violence and wrings from them a blessing. He draws together materialist and literary approaches to discover God's violence subtly and indirectly employed on behalf of the dominated against dominators. The book is a brilliant primer in persuasive, open-ended theological interpretation. It will help pastors, students, and anyone who would like to join the hot debate about violence and the God of the Bible."" --Kathleen M. O'Connor, William Marcellus McPheeters Professor of Old Testament, Columbia Theological Seminary """What shall we do with all the violence . . . done in the Old Testament in the name of Yahweh?' Walter Brueggemann addresses this pressing question with theological candor, exegetical rigor, and literary eloquence. For all those vexed by texts of violence in the Bible, this splendid little book is a 'must-read.""" --Louis Stulman, Chair, Department of Religious Studies and Philosophy, Professor of Religion, The University of Findlay About the Contributor(s): Walter Brueggemann is Professor Emeritus of Old Testament at Columbia Theological Seminary. He is past President of the Society of Biblical Literature and the author of numerous books, including Praying the Psalms, A Pathway of Interpretation, and Ichabod toward Home.
