Fallen Angels and the History of Judaism and Christianity: The Reception of Enochic Literature
Annette Yoshiko Reed
In the Book of the Watchers, an Enochic apocalypse from the third century BCE, the "sons of God" of Gen 6:1-4 are accused of corrupting humankind through their teachings of metalworking, cosmetology, magic, and divination. By tracing the transformations of this motif in Second Temple, Rabbinic, and early medieval Judaism and early, late antique, and Byzantine Christianity, this book sheds light on the history of interpretation of Genesis, the changing status of Enochic literature, and the place of parabiblical texts and traditions in the interchange between Jews and Christians in Late Antiquity and the early Middle Ages.

Marjorie Thompson:

As a college student exactly feel bored in order to reading. If their teacher requested them to go to the library or make summary for some reserve, they are complained. Just very little students that has reading's internal or real their passion. They just do what the trainer want, like asked to the library. They go to at this time there but nothing reading really. Any students feel that looking at is not important, boring as well as can't see colorful pics on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this Fallen Angels and the History of Judaism and Christianity: The Reception of Enochic Literature can make you experience more interested to read.
