A Bang Into Gentleness: A Psychic's Journey Through Spiritual Transformations

Heather Clockedile

A Bang Into Gentleness: A Psychic's Journey Through Spiritual Transformations Heather Clockedile At a young age, Heather saw things that the human eyes had learned to overlook. One night over dinner at the tender age of five, she was telling her family about a man she had seen in her room the night before. Her father informed her that this was not just any man, but her grandfather who had died some thirty years earlier. These visits from the other side became the norm in the coming years. She soon learned her grandfather had the gift of being a psychic/medium and that they would share this gift. In A Bang into Gentleness, Heather discusses how she was introduced and gradually developed her intuition and ability to connect with spirits on the other side. She talks about following her own path to becoming a medium, intuitive counselor, and reiki master. Heather's journey was not always an easy one, and this book takes the reader through the ups and downs of growing up psychic, and reaching her own enlightenment; learning about mindfulness, compassion, and appreciation, and most importantly finding the divine power within.
