The Playboy Chester Brown

A memoir of shocking honesty by the graphic novelist behind 2011's acclaimed comic *Paying for It*

As with every Chester Brown book, *The Playboy*?originally published in 1992?was ahead of its time, illustrating the fearlessness and prescience of the iconoclastic cartoonist. A memoir about Brown's adolescent sexuality and shame, *The Playboy* chronicles his teenage obsession with the magazine of the same name, but it's also a work that explores the physical form of comics to their fullest storytelling capacity. In it, a fifteen-year-old Chester is visited by a time-traveling adult Chester, and the latter narrates the former's compulsion to purchase each issue of *Playboy* as it appears on newsstands. Even more fascinating than his obsession with the magazine is his need to keep his habit secret and the resulting lengths to which he goes to avoid detection by his family and, later, his girlfriends.
The comics that became *The Playboy* first appeared in issues of Brown's controversial, groundbreaking comic *Yummy Fur* more than twenty years ago, and yet the frankness of the work makes it seem avant-garde even now. As in every work by this master cartoonist, *The Playboy* uses no extra words, no extra panels, no extra lines, conveying environment and emotion through perfectly chosen moments. Fans of his acclaimed and controversial memoir *Paying for It* are sure to be drawn in by this early autobiographical portrait of blazing honesty. The expanded reissue includes all-new appendixes and notes from the author.

From reader reviews:

Michael Battle:

Reading a publication tends to be new life style with this era globalization. With reading through you can get a lot of information that may give you benefit in your life. Along with book everyone in this world can easily share their idea. Books can also inspire a lot of people. A lot of author can inspire their own reader with their story or maybe their experience. Not only the storyline that share in the textbooks. But also they write about the information about something that you need example of this. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book which exist now. The authors these days always try to improve their proficiency in writing, they also doing some study before they write for their book. One of them is this The Playboy.

Henry Hedrick:

The reason why? Because this The Playboy is an unordinary book that the inside of the e-book waiting for you to snap the item but latter it will distress you with the secret this inside. Reading this book close to it was fantastic author who all write the book in such awesome way makes the content inside of easier to understand, entertaining way but still convey the meaning totally. So , it is good for you because of not hesitating having this any more or you going to regret it. This phenomenal book will give you a lot of benefits than the other book have got such as help improving your expertise and your critical thinking method. So , still want to postpone having that book? If I have been you I will go to the guide store hurriedly.

Kevin Lewis:

Your reading sixth sense will not betray anyone, why because this The Playboy publication written by well-known writer who really knows well how to make book which might be understand by anyone who else read the book. Written in good manner for you, dripping every ideas and publishing skill only for eliminate your personal hunger then you still uncertainty The Playboy as good book not only by the cover but also by the content. This is one e-book that can break don't ascertain book by its deal with, so do you still needing one more sixth sense to pick this particular!? Oh come on your reading sixth sense already told you so why you have to listening to one more sixth sense.

Bryon Diaz:

Is it you actually who having spare time in that case spend it whole day simply by watching television programs or just lying down on the bed? Do you need something new? This The Playboy can be the response, oh how comes? A fresh book you know. You are so out of date, spending your extra time by reading in this new era is common not a geek activity. So what these books have than the others?
