A visual history of the FIAT 500, the ultimate lifestyle car that has remained a timeless classic and design legend. Its innovative features, the original and recognizable design of its bodywork, and its versatility have distinguished it as an automotive icon with enduring appeal. *FIAT 500: The Design Book* is an invitation to embark on a captivating journey through the main milestones of the 500 project: from the first series in the 1960s to the public presentation at the Geneva International Motor Show of the Trepiùno prototype in 2004, of the new 500 and 500C, the 500L through to the 500X. This visually rich and fascinating book explains not only the genesis and "design metamorphosis" of each model, but also their backgrounds, and explores the contributions of the designers who have helped to develop them with innovation and foresight.
