Joos & Mathys: De aedibus 57 (English and German Edition)

Heinz Wirz

Joos & Mathys: De aedibus 57 (English and German Edition) Heinz Wirz
The school extension in Andeer stands confidently and memorably beside the existing 1950s building. The building is a typical example of the intensive work by the Zurich architects Peter Joos and Christoph Mathys. Their buildings draw from the architectural potential of the location and transform it in their buildings with an enhanced degree of dignity and poetry.

Text in English and German.
