Life's Little Adventures: The Journey Continues Mark McGrath
Author Mark McGrath returned home with his four children to be with family and friends, and to continue a career in nursing. Tears and laughter flourish throughout his many adventures, trials and unforgettable moments as a nurse and as a father. Join him as...

the journey continues.

About the Author: Mark McGrath

Mark McGrath is a single father of four children currently residing in Bayside, New York. Born and raised in the Bronx, he attended St Brendan School and moved on to Cardinal Spellman High School, graduating with the famed class of 1983. He worked as a research librarian assistant for Lehman Brothers in the late 1980's and early 1990's while he attended Lehman College in the Bronx.

Graduating with a Bachelor of Arts in Economics in 1989, he quickly changed course and began nursing school in 1991. He again attended Lehman College and while in school worked for Booz Allen and Hamilton and AT Kearny in New York City as a consultant researcher.

He graduated Cum Laude from Lehman's nursing program in May of 1994 and passed the Boards in September of that year to become a Registered Nurse. New York University Medical Center was his destination soon after where he worked on the liver and kidney transplant unit starting in 1995.

His first son, Jonathan, was born in 1996, and soon after he relocated to Ronkonkoma, New York, taking a job at Stony Brook University Medical Center as an assistant to the Nurse Manager running the middle shift. After suffering injuries in a car accident in 1998, he moved on to become an IV Nurse Educator in Farmingdale, teaching IV skills to other nurses, and seeing home care clients.

He relocated to Florida in October of 2001 and worked for a nursing agency that sent him to various hospitals as a traveling RN. He took his last permanent job in Florida in 2007 at Parrish Medical Center in Titusville.

After gaining custody of his four children in October of 2008, he moved back to New York to start over again. He currently works as a home care IV specialty nurse and still teaches nurses IV skills.

In his spare time he enjoys going out and spending time with his children and watching his favorite teams win (Jets, Yankees and of course, his beloved Rangers).

From reader reviews:

Lorenzo Logan:

As people who live in the particular modest era should be revise about what going on or details even knowledge to make these individuals keep up with the era that is certainly always change and make progress. Some of you maybe will certainly update themselves by looking at books. It is a good choice for you personally but the problems coming to anyone is you don't know what one you should start with. This Life's Little Adventures: The Journey Continues is our recommendation to make you keep up with the world. Why, since this book serves what you want and need in this era.

Myrtle Hamer:

Reading a publication tends to be new life style within this era globalization. With looking at you can get a lot of information that could give you benefit in your life. Using book everyone in this world can easily share their idea. Ebooks can also inspire a lot of people. Many author can inspire their reader with their story or maybe their experience. Not only situation that share in the publications. But also they write about the data about something that you need case in point. How to get the good score toefl, or how to teach your kids, there are many kinds of book that exist now. The authors on this planet always try to improve their talent in writing, they also doing some research before they write with their book. One of them is this Life's Little Adventures: The Journey Continues.

Lisa Walker:

That guide can make you to feel relax. This particular book Life's Little Adventures: The Journey Continues was colorful and of course has pictures around. As we know that book Life's Little Adventures: The Journey Continues has many kinds or type. Start from kids until teenagers. For example Naruto or Private eye Conan you can read and believe you are the character on there. So , not at all of book tend to be make you bored, any it makes you feel happy, fun and rest. Try to choose the best book in your case and try to like reading in which.

Cassandra Harvey:

As a college student exactly feel bored in order to reading. If their teacher requested them to go to the library in order to make summary for some guide, they are complained. Just tiny students that has reading's heart or real their interest. They just do what the trainer want, like asked to the library. They go to there but nothing reading critically. Any students feel that studying is not important, boring as well as can't see colorful images on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this Life's Little Adventures: The Journey Continues can make you feel more interested to read.
