Mazes for kids... the Children Puzzles for ages 4-8 Vol.2! (Volume 2) Omolove Jay
This Maze book: Mazes for Kids Vol.2 will give your kids the opportunity to develop a thorough knowledge for shapes and a footing for pencil-control ability by tracing lines through basic mazes. The truth is that a child's brain can be trained to think creatively and logically from an early age through a rough guide of the brain with the help of games like mazes. Yes, the maze puzzle books for kids can help your child improve their visual motor, fine motor control and also develop tricky problem solving ability. As a matter of fact, they can encourage your child to focus and to think purposefully in order to pass one level and go on to the next with little or no stress! And finally, I dare say, if you're training your child, I can guess, you'll need mazes as a tool in the process! Anyway, don’t forget I have added the solutions to the Mazes Puzzle at the back of the book to help in the case there are any challenge… go ahead and have fun with your kids.
