The Way of Dreams and Visions: Your Secret Conversation With God Colette Toach
Everybody has dreams - it is a well-known fact. But what not everyone knows is that the Lord is talking to you right now through your dreams. He is writing you sweet love notes, but unfortunately, we don’t always understand the messages He is telling us. Now you don't have to be a prophet to receive dreams and visions from the Lord or to understand them. You can understand what the Lord is telling you, right now. In this book, Colette Toach is going to unlock the doors and break down all of the walls that are preventing you from understanding the Lord messages. She is going to introduce you to your heavenly bridegroom as He sweeps you away into the secret place. As you work through this book, a new chapter in your walk with the Lord will begin. By the time you finish reading the last page, you will have already begun a new adventure with the Lord, hand in hand. This book will teach you: • How to break down all the different dreams categories into ways that anyone can understand • How to tell when a dream or vision is from the Lord, from the enemy, or from last night’s pizza • How to interpret dreams for yourself and others • How to apply the dreams and visions the Lord is giving you for your life, right now
