A Journey Through America With the Rolling Stones

Robert Greenfield

A Journey Through America With the Rolling Stones Robert Greenfield
The Stones' previous U.S. tour was a crazy chaotic circus that culminated with the murder of a fan by Hells Angels at the infamous Altamont racetrack. Now they were going back to America to play more shows in bigger arenas with a far larger entourage and even more drugs. Robert Greenfield's book is the riveting insider's account of this tour. Features a new foreword by prize-winning, bestselling crime novelist, Ian Rankin.
