Craigie Aitchison: A Life in Colour Cate Haste
This fully illustrated study of the life and work of Scottish artist Craigie Aitchison (1926-2009) is the first book to cover the entire oeuvre of a painter whose distinctive and powerfully evocative style has earned him widespread critical acclaim and public popularity. Award-winning writer Cate Haste draws for the first time on original documents, family archives, letters, published interviews with the painter, and new interviews with those who knew Aitchison to explore the relationship of his life to his work, the influences which shaped his visual imagination, the emergence of his distinctive themes, and the development of his painting style.
