Fishtale Hans Bauer , Catherine Masciola
What might have been an ordinary fishing trip becomes an unforgettable adventure when twelve-year-old Sawyer Brown pursues a legendary giant catfish and a stolen ring that may hold the key to his mother’s life.

Sawyer’s family runs a catfish farm in rural Mississippi. When his widowed mom gets sick after a pond “cat” swallows her wedding ring, Sawyer is sure the missing ring is to blame. Strange clues and a local myth convince him that the pond cat has become a meal for a far more challenging catch. He sets out with two friends and his stowaway little sister to solve the secret of the ring.

Journeying deep into a remote bayou, the foursome must rely on their wits and each other to navigate the teeming swamp, outsmart a sneaky poacher, and overcome their differences in pursuit of a colossal catfish. But this is no ordinary fish. This is Ol’ One Eye—the biggest, oldest, smartest, and meanest darn cat that ever swam the Yazoo River! And before long, the adventurers aren’t sure who is chasing who.

This is a fish tale that readers won’t want to miss.

From reader reviews:

James Oliver:

Nowadays reading books become more and more than want or need but also be a life style. This reading behavior give you lot of advantages. Advantages you got of course the knowledge the actual information inside the book this improve your knowledge and information. The info you get based on what kind of guide you read, if you want drive more knowledge just go with education books but if you want sense happy read one together with theme for entertaining like comic or novel. Often the Fishtale is kind of book which is giving the reader capricious experience.

Carlos White:

Reading a book to get new life style in this season; every people loves to read a book. When you read a book you can get a wide range of benefit. When you read books, you can improve your knowledge, simply because book has a lot of information upon it. The information that you will get depend on what types of book that you have read. If you need to get information about your analysis, you can read education books, but if you want to entertain yourself you can read a fiction books, this sort of us novel, comics, as well as soon. The Fishtale will give you new experience in studying a book.

Jeffrey Dominguez:

Many people spending their period by playing outside along with friends, fun activity together with family or just watching TV the entire day. You can have new activity to shell out your whole day by examining a book. Ugh, think reading a book can definitely hard because you have to accept the book everywhere? It fine you can have the e-book, getting everywhere you want in your Mobile phone. Like Fishtale which is keeping the e-book version. So , why not try out this book? Let's view.

Rachel Morris:

E-book is one of source of know-how. We can add our understanding from it. Not only for students but additionally native or citizen require book to know the upgrade information of year to be able to year. As we know those textbooks have many advantages. Beside we all add our knowledge, may also bring us to around the world. By the book Fishtale we can consider more advantage. Don't you to definitely be creative people? Being creative person must prefer to read a book. Just choose the best book that appropriate with your aim. Don't be doubt to change your life by this book Fishtale. You can more appealing than now.
