Mister and Me Kimberly Willis Holt
When Leroy Redfield starts taking her momma dancing, Jolene won't call him anything but Mister. Without a name, he can't really be a whole person to her. The last thing she wants is somebody coming along trying to fill the space her daddy left when he died. But then Jolene learns that big, loud Mister wants to marry Momma, and when she gets the chance to hurt him, she acts. What will Momma do when she finds out? And will she marry Mister anyway? Kimberly Willis Holt has written a poignant, humorous story about change and acceptance, and a little girl who ultimately gives name to what she wants most.
