Mosan Art: An Annotated Bibliography (Reference Publication in Art History)

Gretel Chapman

Mosan Art: An Annotated Bibliography (Reference Publication in Art History) Gretel Chapman
The art termed "Mosan" is that produced in the Meuse Valley (located in present-day east Belgium and in part of the southern Netherlands) from the late Carolingian period to the mid-thirteenth century. The Mosan area was largely defined by the boundaries of the medieval diocese of Liege; politically it was linked to the Holy Roman Empire; ecclesiastically it was subordinate to the archdiocese of Cologne. The purpose of this bibliography is to provide a handbook to the study of Mosan art seen as a cultural manifestation of an area of northern Europe during the central Middle Ages.
