They Draw and Travel: 96 Illustrated Maps of the UK and Iceland (TDAT Illustrated Maps from Around the World) (Volume 2) Nate Padavick
This compendium of 96 illustrated maps celebrates the big cities and small villages of the United Kingdom (and Iceland too!) These maps are not only creative expressions of the artist's love for a particular place in the UK and Iceland, but they also often contain insightful tips and recommendations for things to do and places to visit. For example, do you know where to go for a really great bike ride in Sussex? Do you know how to find the lovely Kew Garden outside London? Or, how about all the fun things to do in Reykjavík? A fantastic hike from coast to coast in England? What to eat in Ireland? In 2011, the brother-and-sister design duo Nate Padavick and Salli Swindell founded the website They Draw & Travel. Today it is the largest collection of online illustrated maps created by artists, illustrators and doodlers from around the world. This book is a selection of 96 illustrated maps of places in the UK and Iceland envisioned by the artists who contribute to the vast and diverse creative community on They Draw & Travel. Experienced on the road or in the chair, this compendium of 96 illustrated maps is an exciting way to get to know the UK and Iceland through the eyes of artists.
